Western	47883	47443	46670	-773
State	498923	501459	507417	5958

Between 2017 and 2019 Clay and Nuckolls were reassigned from the Southeast Service Area to the Central Service Area resulting in the transfer of 2428 children.

Out of Home Court wards using Nielsen Youth Population.

Note: Count by County Report is now available.

Point in Time State Ward Count with State Ward Entries and Exits

Safely Decrease the Number of State Wards

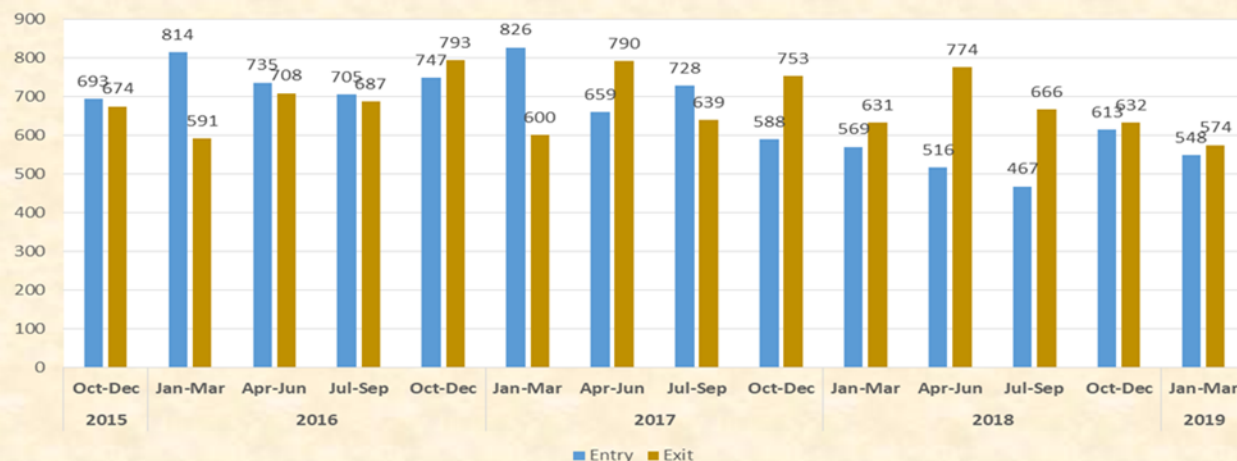

Strengths/Opportunities:

Barriers:

Action Items:

LB-561 became effective Oct 1, 2013. This resulted in youth being cared for by probation rather than CFS

Statewide Entries and Exits of Court Involved Children

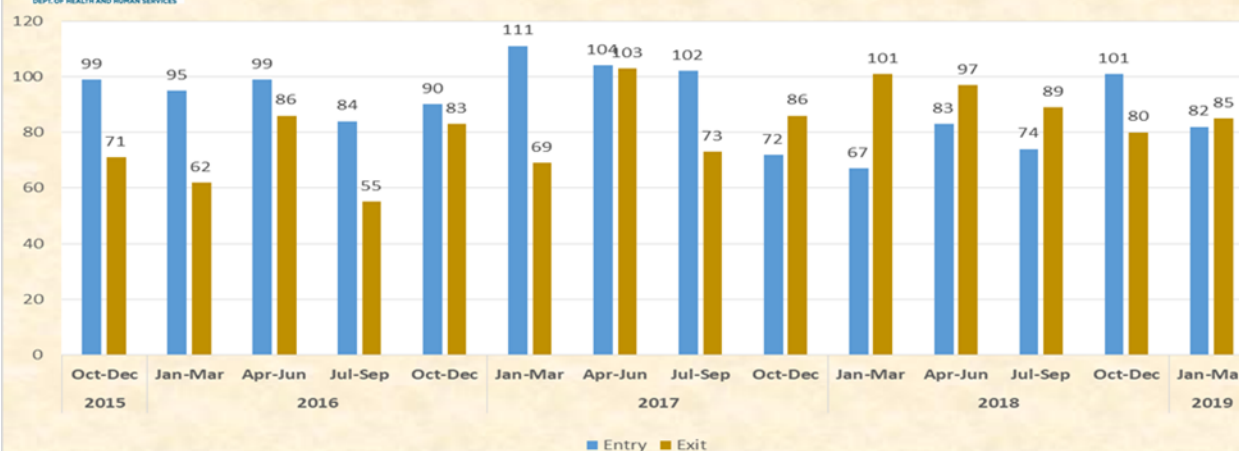

Safely Decrease the Number of State Wards

Strengths/Opportunities:

Barriers:

Action Items:

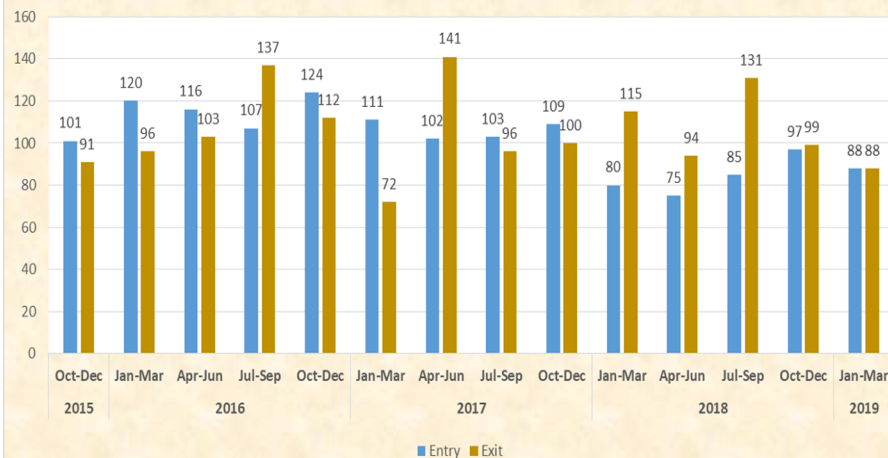

Western Service Area Entries and Exits of Court Involved Children

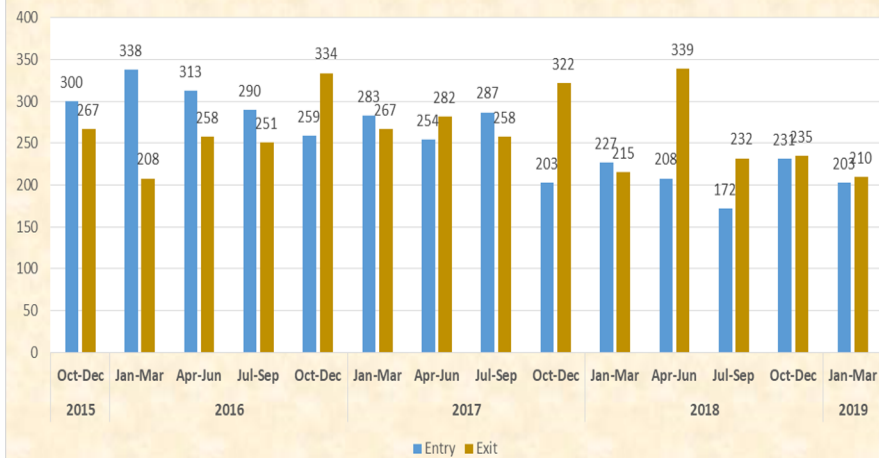

N-Focus Legal Status field. An entry occurs when a child is made a state ward. An exit occurs when the Legal Status changes to non-ward - not when it is entered into NFocus. Entries include youth that go from non-court to court. Counts based on date of action, not entry date into N-FOCUS. Statewide numbers include counts for YRTC.

Helping People Live Better Lives.

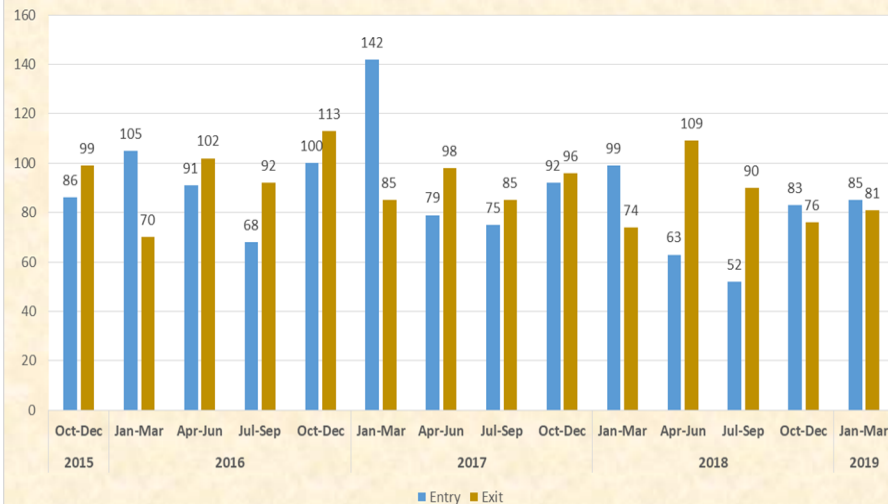

Central Service Area Entries and Exits of Court Involved Children

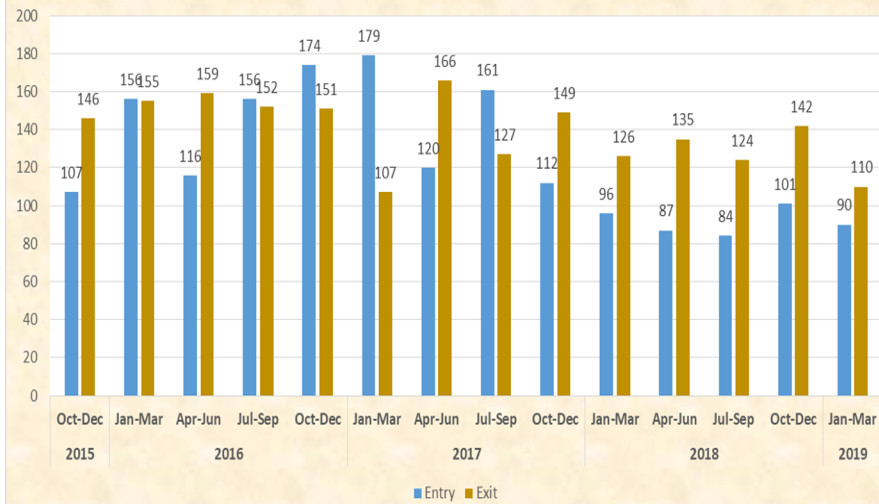

Eastern (PromiseShip) Entries and Exits of Court Involved Children

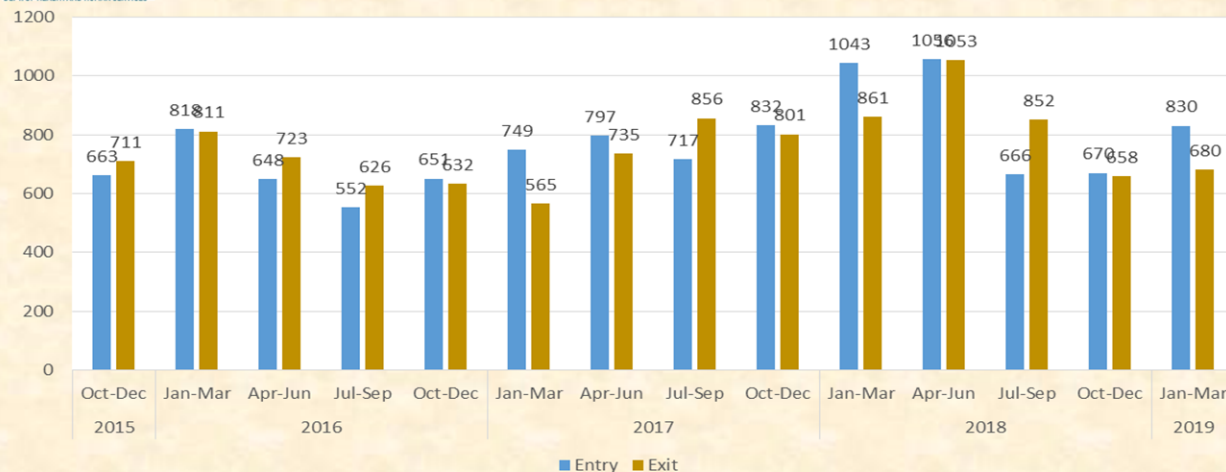

Northern Service Area Entries and Exits of Court Involved Children

Southeast Service Area Entries and Exits of Court Involved Children

Statewide Entries and Exits of Non-Court Involved Children

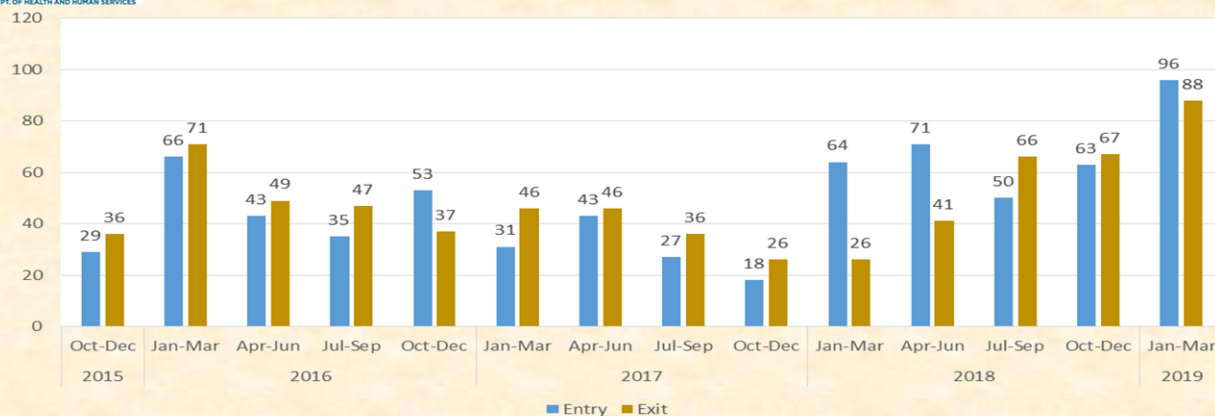

Safely Decrease the Number of Non-Court Cases

Strengths/Opportunities:

Barriers:

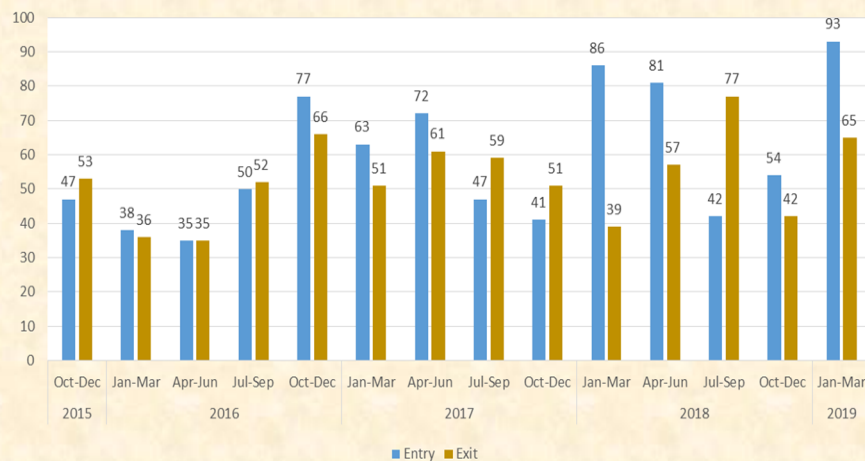

Action Items:

Western Service Area Entries and Exits of Non-Court Involved Children

N-Focus Legal Status field. An entry occurs when a child is made a state ward. An exit occurs when the Legal Status changes to non-ward - not when it is entered into NFOCUS. Entries include youth that go from non-court to court. Counts based on date of action, not entry date into NFOCUS

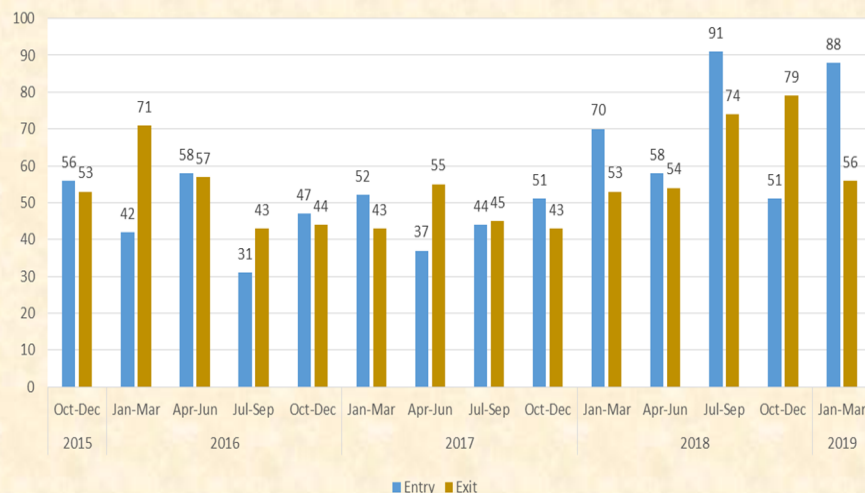

Central Service Area Entries and Exits of Non-Court Involved Children

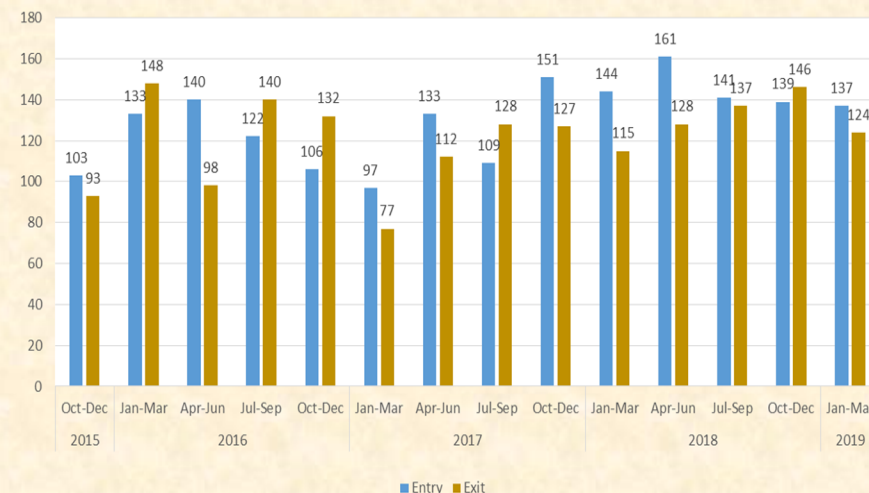

Eastern Service Area Entries and Exits of Non-Court Involved Children

Northern Service Area Entries and Exits of Non-Court Involved Children

Southeast Service Area Entries and Exits of Non-Court Involved Children

Helping People Live Better Lives.

SAFETY

Safety Outcome 1: Children are, first and foremost, protected from abuse and neglect.

Safety Outcome 2: Children are safely maintained in their homes whenever possible and appropriate

CPS Intakes Accepted/Not Accepted Counts and Percentage

CPS Intakes Accepted

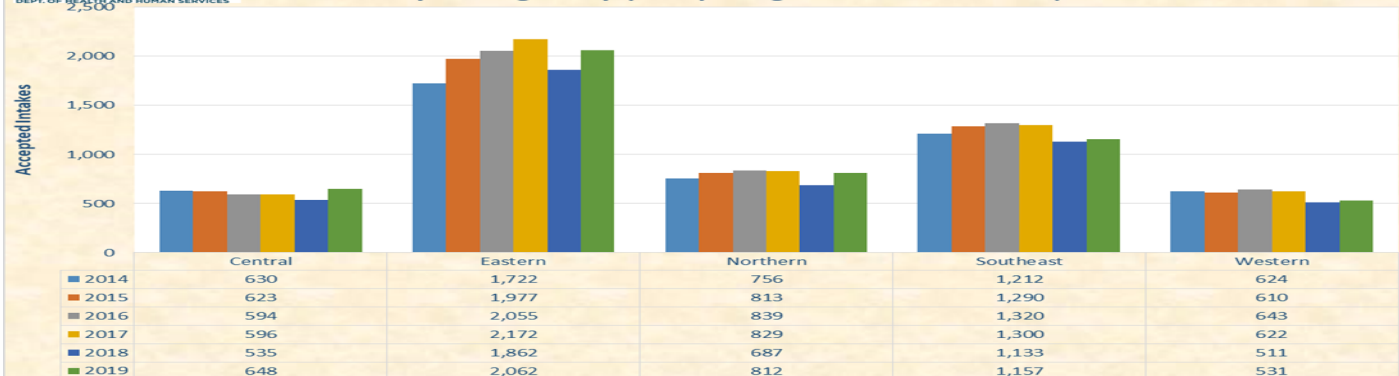

Strengths/Opportunities:

Barriers:

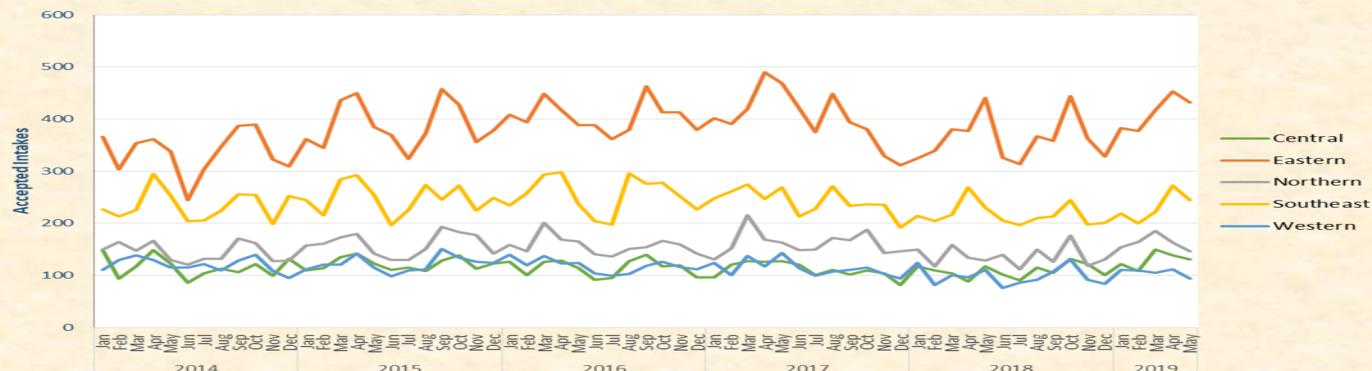

Action Items:

Note: This data does not include Law Enforcement Only Intakes.

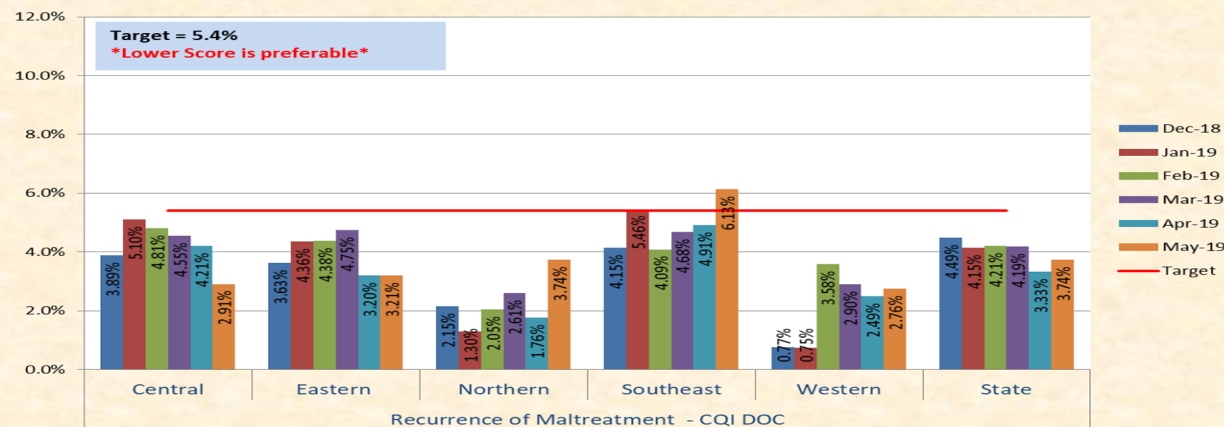

CPS Intakes Accepted for Assessment January through May (Comparing Years 2014 to 2019)

CPS Intakes Accepted for Assessment (by Month January 2014 through May 2019)

Recurrence of Maltreatment within 6 Months COMPASS Measure Round 2

This is a federal measure that reports on a rolling 12-month period. Data Source: N-FOCUS COMPASS-State Wards. The children included in this report were victims of abuse or neglect during the first 6 months of the 12-month period. If the child was a victim of a subsequent abuse or neglect incident within 6 months of the first incident of abuse or neglect, they appear on this report. Victims are defined as children where the court or DHHS has substantiated the allegations of abuse or neglect.

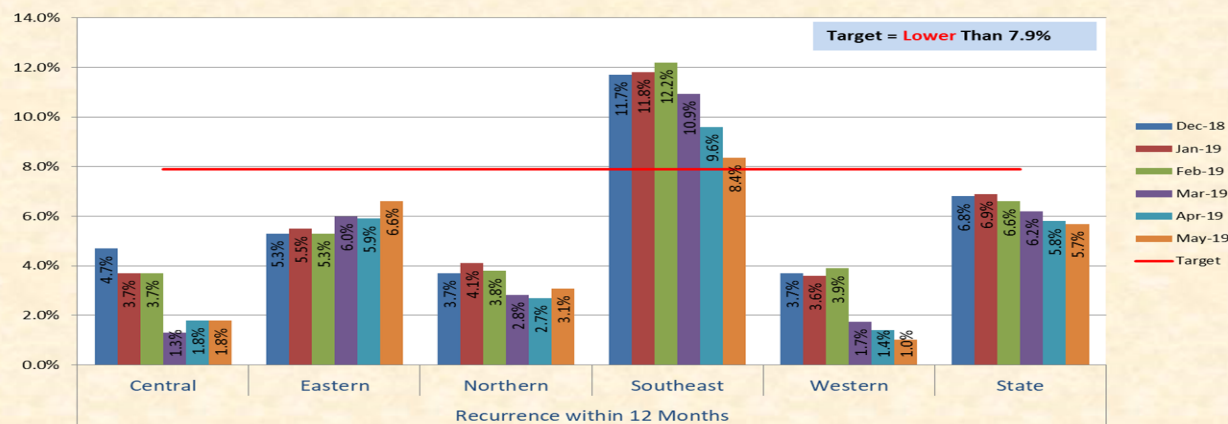

Recurrence of Maltreatment

Strengths/Opportunities:

Barriers:

Action Items:

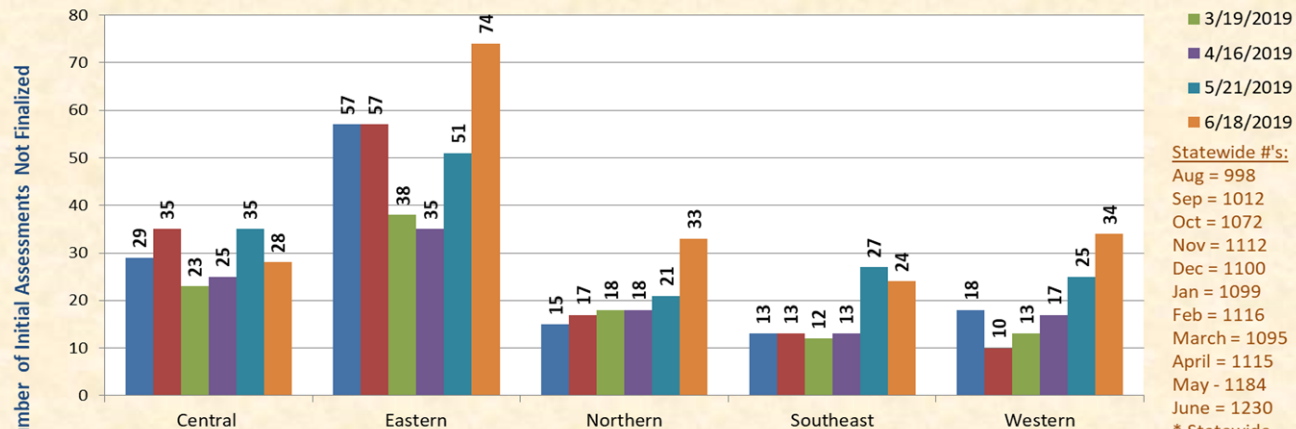

Recurrence of Maltreatment within 12 Months - Round 3

This is Federal Measure that reports on a rolling 24 month period. Data Source: N-FOCUS Round 3 Federal Measures. The children included in this report were victims of abuse or neglect during the first 12 months of the 24 month period. If the child was a victim of a subsequent abuse or neglect incident within 12 months of the first incident of abuse or neglect they appear on this report. Victims are defined as children where the court or DHHS has substantiated the allegations.

Initial Assessments - NOT FINALIZED (2012-2018)

* Initial Assessments that are not finalized past 30 days from the intake closure date.
as of June 18, 2019

This chart illustrates cases that are not finalized due to one or more of the following reasons:
Safety assessment not complete and tied to the intake, Risk assessment is not in final status, and/or Finding has not been entered.

Statewide #'s:

Aug = 998
Sep = 1012
Oct = 1072
Nov = 1112
Dec = 1100
Jan = 1099
Feb = 1116
March = 1095
April = 1115
May = 1184
June = 1230
* Statewide number includes Tribal Initial

IA – Investigation Timeframes

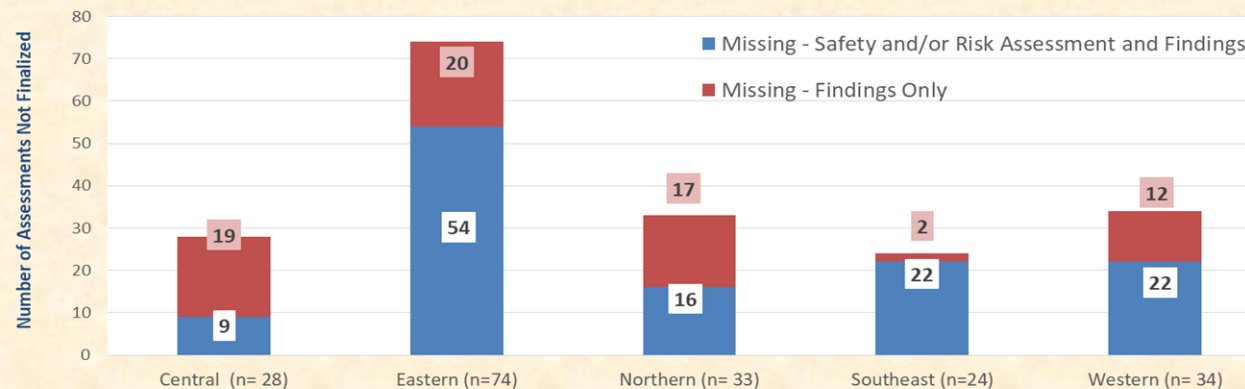

Strengths/Opportunities:

Barriers:

Action Items:

Initial Assessments- Not Finalized

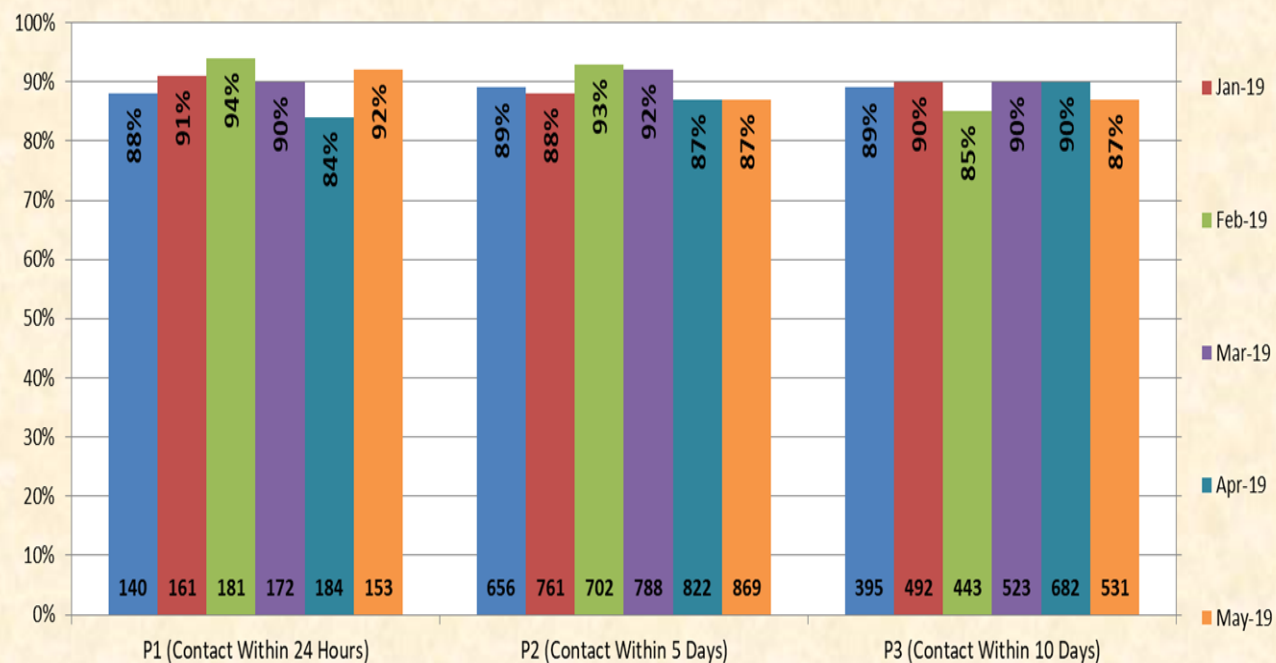

*Initial Assessment that are not finalized past 30 days from the intake closure date
as of June 18, 2019

This chart illustrates cases that are not finalized due to : Safety assessment not complete and/or tied to the intake, Risk assessment is not in final status, and/or Finding has not been entered. vs. those not finalized due to missing findings only.

Initial Assessment - Contacts made according to Priority Timeframes Statewide

**Data excludes Refusals, Unable to Locate, and Law Enforcement Holds*

NOTE: The denominator for this measure was changed in March 2016 to include ALL child victims listed on the intake.
Statewide data includes Tribal Initial Assessments

Note: Intakes accepted for APSS or OH investigations were included in this measure for the first time in November 2013.

IA – Contact Timeframes

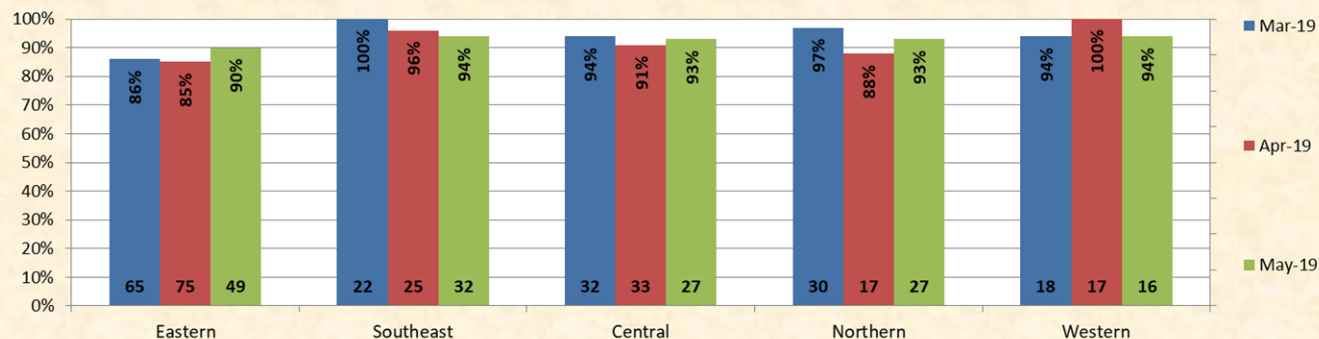

Strengths/Opportunities:

Barriers:

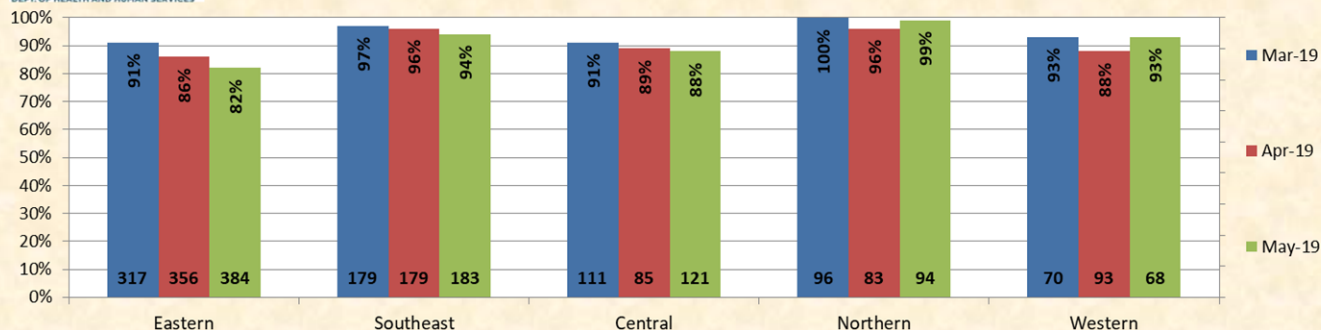

Action Items:

Data on this page currently excludes all youth victims involved in an intake if an exception to contact was entered on the intake. Starting April 2017, the report will only exclude specific youth in the intake that are applicable to the exception. All other youth who are part of the same intake but are not part of the exception will be included in the numerator and denominator for this measure.

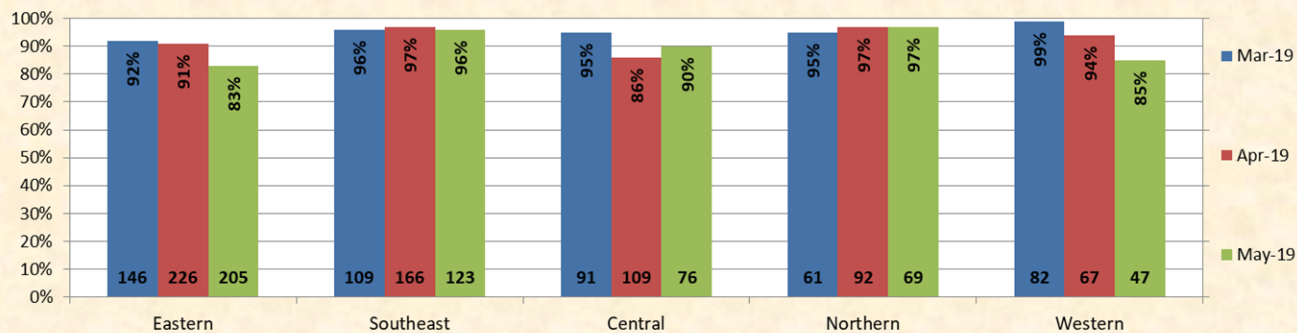

Initial Assessment - Accepted P1 Intakes - Contact Made within 24 Hours

Initial Assessment - Accepted P2 Intakes - Contact Made within 5 Calendar Days

Initial Assessment - Accepted P3 Intakes - Contact Made within 10 Calendar Days

IA – Contact Timeframes

Strengths/Opportunities:

Barriers:

Action Items:

Note: The denominator for this measure was changed in March 2016 to include all child victims listed on the intake.

Exits to Reunification in < 12 Months of First Entry COMPASS Measure Round 2

This is a federal composite measure. Data Source: N-FOCUS COMPASS - State Wards. This is a federal measure that reports on a rolling 12-month period. For the prior reporting year, of all children entering foster care in the second 6 months of the year who remained in foster care for 8 days or longer, the percent who met either of the following criteria: (1) the child was reunified in less than 12 months from the date of entry into foster care, or (2) the child was placed in a trial home visit in less than 11 months from the date of entry into foster care and the trial home visit was the last placement setting prior to discharge to reunification. (Entry Cohort)

Youth Entering Out-of-Home Care Permanency in 12 Months - Round 3

This is a Federal Measure that reports on a rolling 36 months of data. Data Source: N-FOCUS Round 3 Federal Measures. Of all children entering care 2 years prior and who remained in care for 8 days or longer, the percent who met either of the following criteria: (1) the child was discharged to reunification, adoption or guardianship in less than 12 months from the date of entry into care, or (2) the child was placed in a trial home visit in less than 11 months from the date of entry into foster care and the trial home visit was the last placement setting prior to discharge to reunification. This is an entry cohort measure.

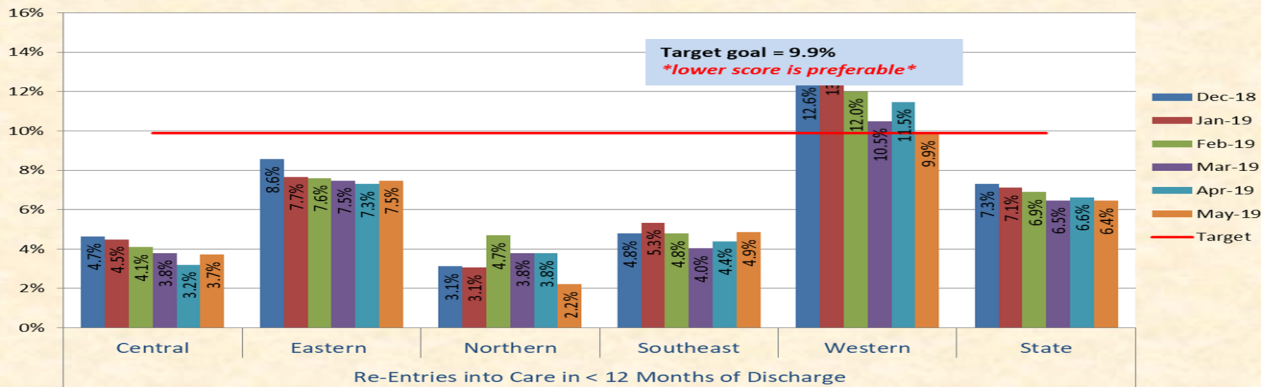

Timeliness of Permanency

Strengths/Opportunities:

Barriers:

Action Items:

Re-Entries into Care in < 12 Months of Discharge COMPASS Measure Round 2

This is a federal composite measure. Data Source: N-FOCUS COMPASS- State Wards. This is a federal measure that reports on a rolling 12-month period. Of all children discharged from foster care to reunification in the year prior to the reporting year, the percent that re-entered foster care in less than 12 months from discharge from a prior episode.

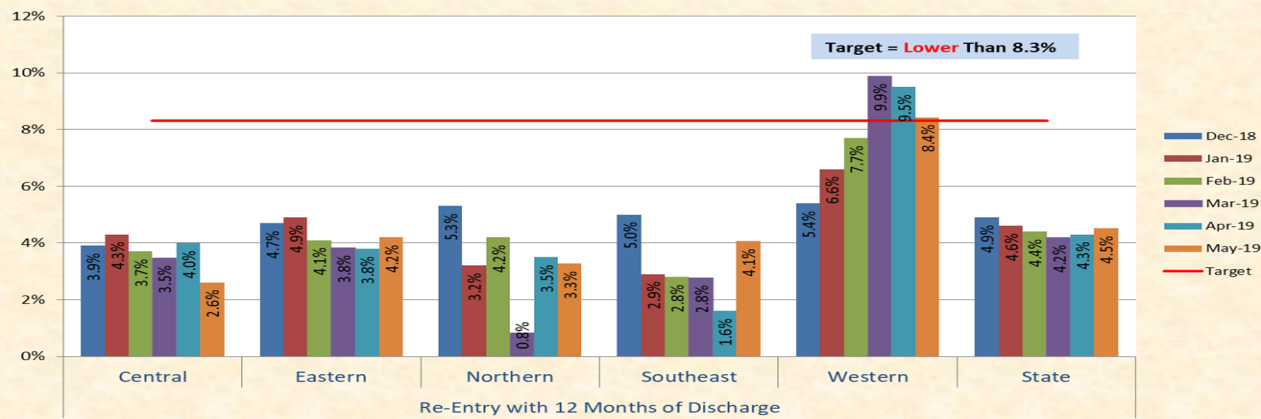

Re Entry into Foster Care

Strengths/Opportunities:

Barriers:

Action Items:

Re-Entries into Care in < 12 Months of Discharge - Round 3

This is a Federal Measure that reports on a rolling 36 months of data. Data Source: N-FOCUS Round 3 Federal Measures. Of all children entering care 2 years prior, who remained care for 8 days or longer, and who were discharged to reunification or guardianship as defined in the 'Youth Entering Out-of-Home Care Permanency in 12 Months' measure, the percent who re-enter care within 12 months of discharge.

CFSR Item 12 Needs and Services for the Child, Parent, and Foster Parents

■ PIP Baseline November 2017- Nov/Dec 2018

■ PIP Quarter 1 February 2018 - Feb/Mar 2019

Target = 95%

Item 12 on the CFSR determines whether or not the agency made concerted efforts during the period under review to assess the child, parents and foster parents needs and provide services to meet needs that were identified. Item 12 A is about the children's needs and services, 12 B is about both the mother and father's needs and services, and 12 C is about the foster parent's needs and services. The three parts of Item 12 are combined into one item as a whole to determine if the overall item is a strength or area needing improvement.

PIP Quarter 1 Results are preliminary. The Children's Bureau is completion secondary oversight reviews at this time.

Child, Parent & Foster Parent Needs Assessment – CFSR 12

Strengths/Opportunities:

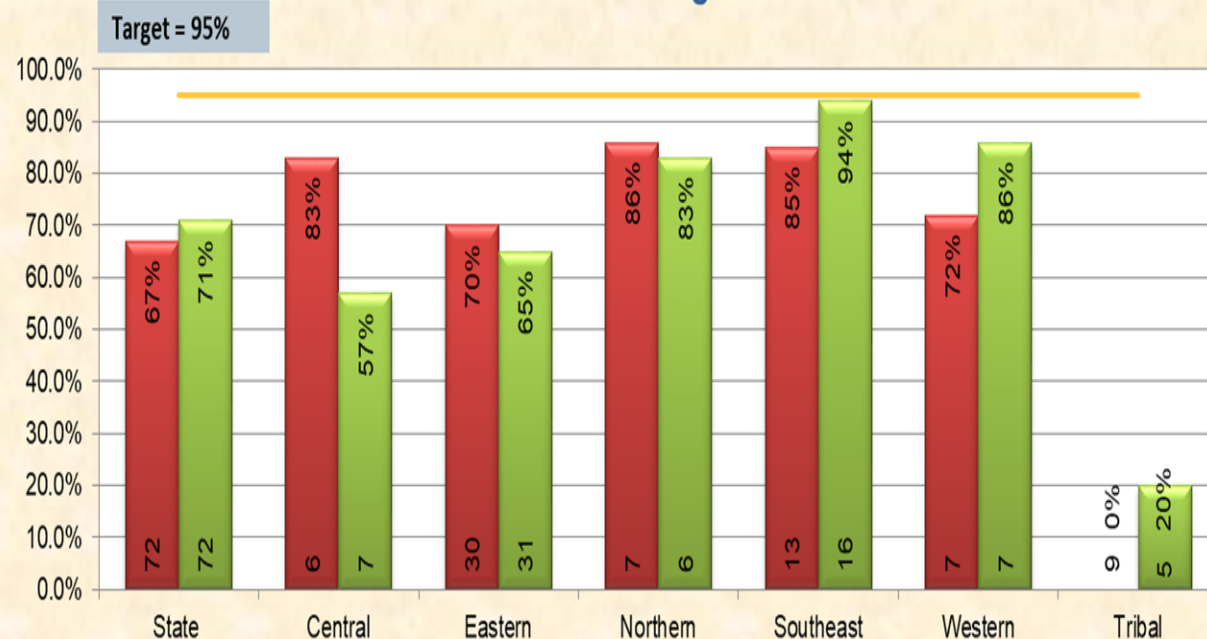

Barriers:

Action Items:

CFSR Item 13 Child and Family Involvement in Case Planning

■ PIP Baseline November 2017 - Nov/Dec 2018

■ PIP Quarter 1 February 2018 - Feb/Mar 2019

Item 13 looks at whether or not the agency made concerted efforts during the period under review to involve the parent (mother and father) and the children during the case planning process. Children and parents have to contribute to the creation of the case plan goals and review them with the agency on an ongoing basis for this item to be rated as a strength.

PIP Quarter 1 Results are preliminary. The Children's Bureau is completion secondary oversight reviews at this time.

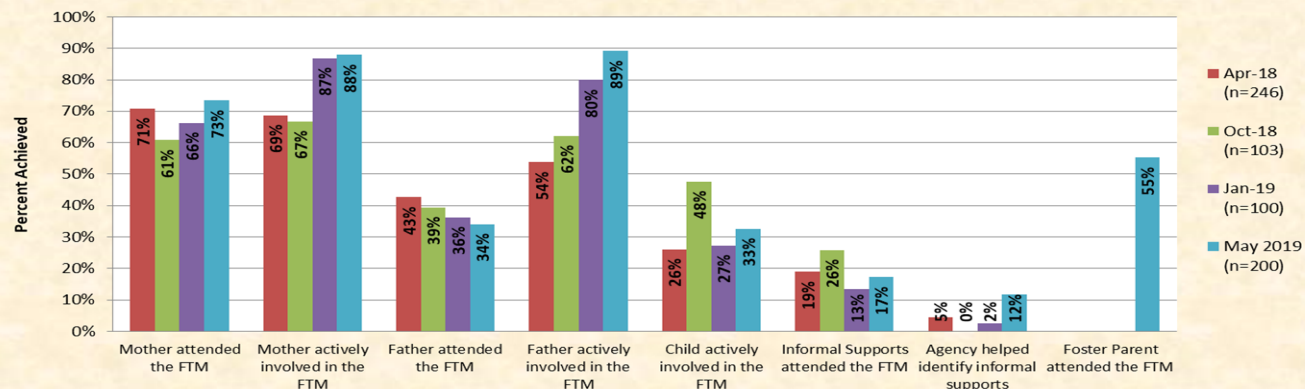

Case Planning Involvement – CFSR 13

Strengths/Opportunities:

Barriers:

Action Items:

Statewide - FTM Quality Documentation Reviews Attendance and Active Involvement

This section of the Family Team Meeting review looks at FTM Documentation to determine if the **PARENTS, CHILD, and INFORMAL SUPPORTS** are attending and actively involved in the family team meeting. Active involvement can include, but is not limited to: Discussing strengths and needs, discussing services and service providers, discussing case plan goals, and/or evaluating progress in the case.

Note: Questions regarding Foster Parent Involvement were added to the review in May 2019.

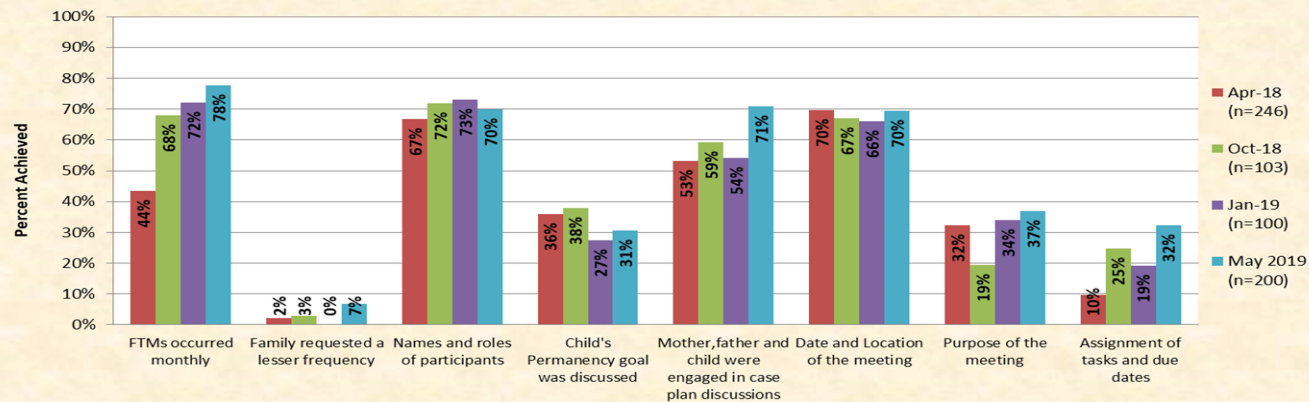

Family Team Meeting Quality

Strengths/Opportunities:

Barriers:

Action Items:

Statewide - FTM Quality Documentation Reviews Frequency & Required Documentation

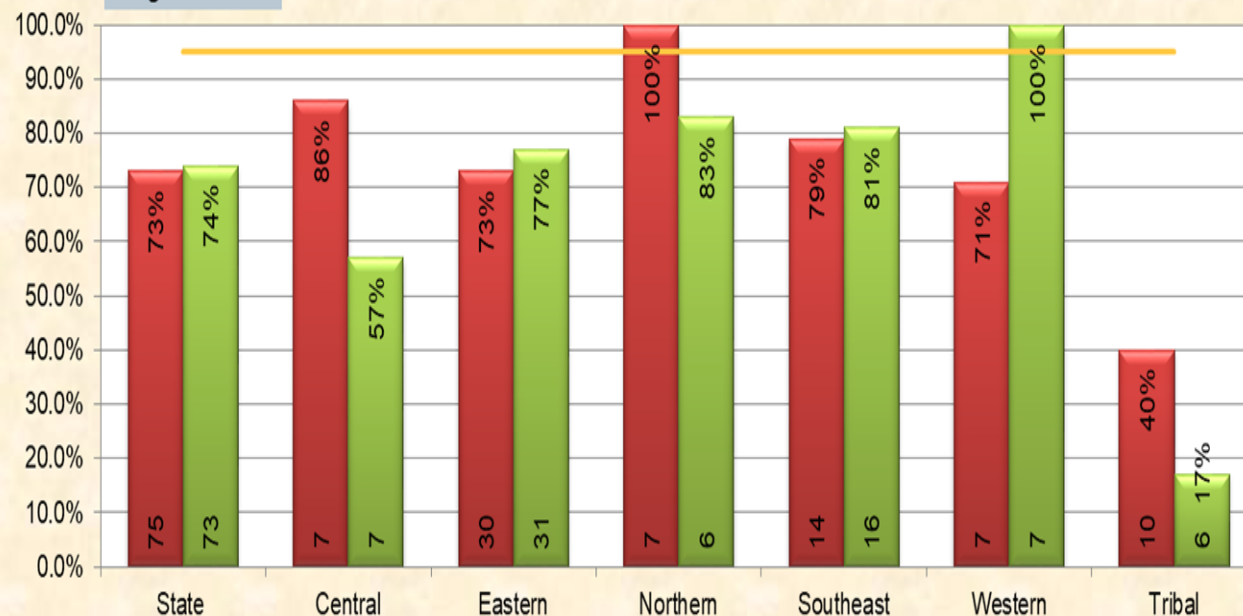

This section of the FTM review looks at FTM documentation to determine the **FREQUENCY** of family team meetings, as well **if REQUIRED DOCUMENTATION** is included in the family team meeting. Documentation in the Family Team Meeting narratives required by policy include: (A) Names and roles of participants in the meeting, (B) The child's permanency goal, (C) Efforts made to engage the mother, father, or children in the development and progression of the case plan, (D) When and where the meeting occurred, (E) The purpose of the meeting, (F) Discussion of the meeting topics, & (G) assignment of tasks including who is responsible and any time frames established.

CFSR Item 14 Caseworker Visits with Child

■ PIP Baseline November 2017 - Nov/Dec 2018

■ PIP Quarter 1 February 2018 - Feb/Mar 2019

Target = 95%

Item 14 on the CFSR looks at both the frequency and quality of the caseworker visits with the children in the case. This item looks at whether or not the frequency and quality of visits between the caseworker and the children in the case were sufficient to ensure safety, permanency, and well being of the child and promote achievement of case goals. Children should be seen privately when age appropriate and at least monthly in order for this item to be counted as a strength.

Caseworker Contact with Child CFSR 14

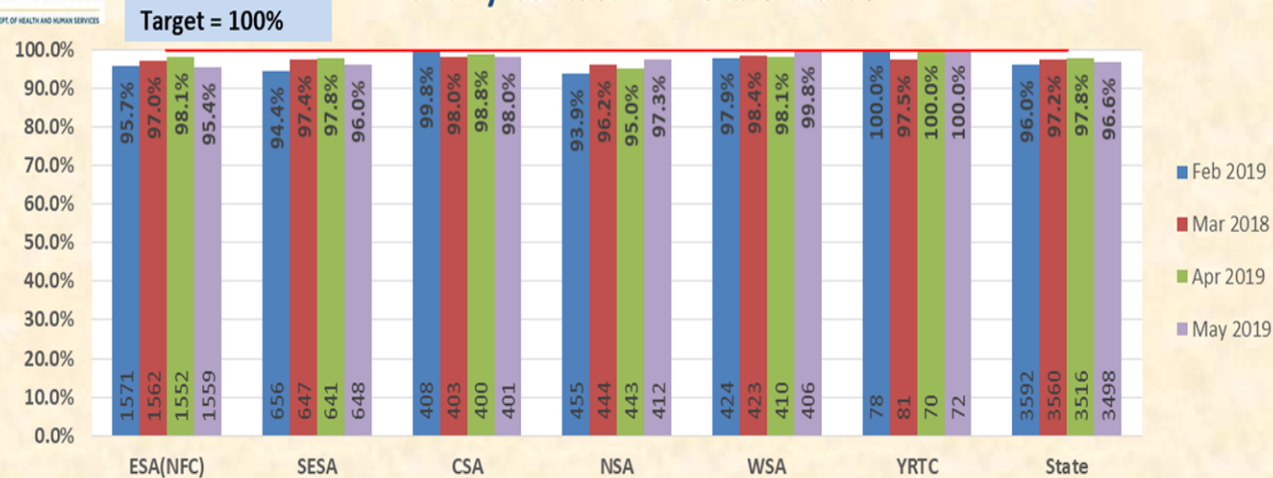

Strengths/Opportunities:

Barriers:

Action Items:

PIP Quarter 1 Results are preliminary. The Children's Bureau is completion secondary oversight reviews at this time.

Monthly Contact with State Wards

(Data Source: CWS & OJS Performance Accountability Data - NFOCUS/InfoView Report). Data includes OJS Wards.) Note: State data does not include Tribal cases.

Monthly Contact with State Wards and Non-Court Involved Child

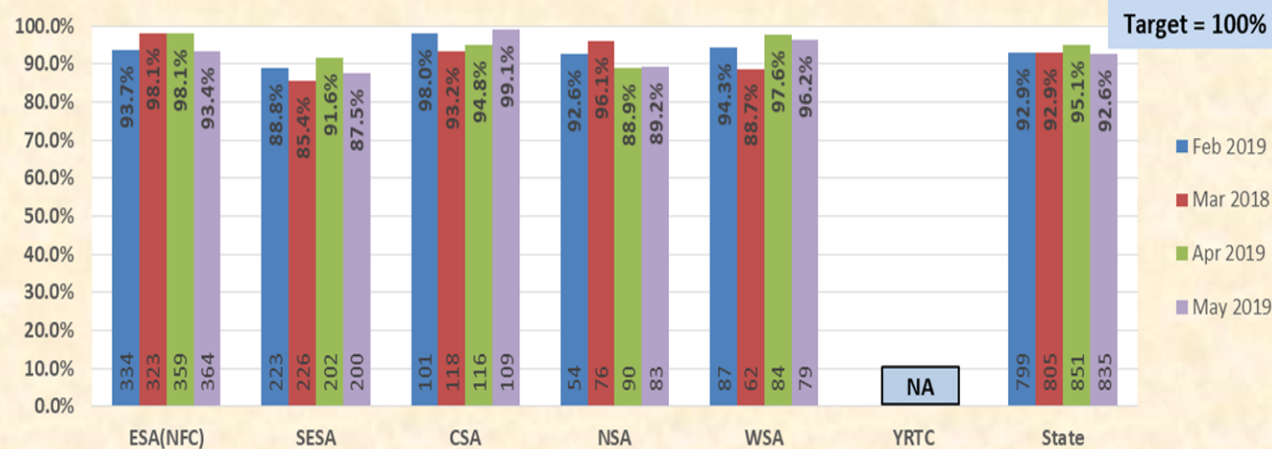

Strengths/Opportunities:

Note: In May 2012, the state performance was at 53.4% for this measure.

Barriers:

Action Items:

Monthly Contact with Non-Court Involved Children

(Data Source: CWS & OJS Performance Accountability Data - NFOCUS/InfoView Report). Data includes OJS Wards.) Note: State data does not include Tribal cases.

NEBRASKA

DEPT. OF HEALTH AND HUMAN SERVICES

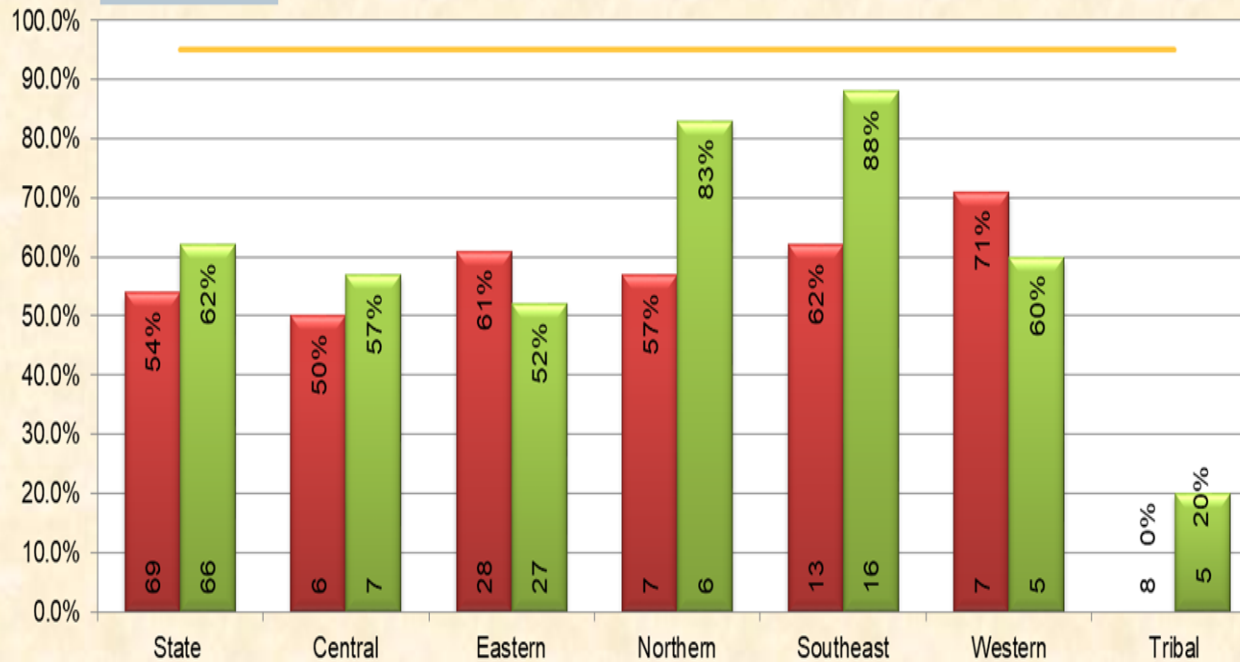

Helping People Live Better Lives.

CFSR Item 15 Caseworker Visits with Parent

■ PIP Baseline November 2017- Nov/Dec 2018

■ PIP Quarter 1 February 2018 - Feb/Mar 2019

Target = 95%

Item 15 on the CFSR looks at both the frequency and quality of the caseworker visits with both the mother and the father in the case. This item looks at whether or not the frequency and quality of visits between the caseworker and the mother and father of the child(ren) in the case were sufficient to ensure safety, permanency, and well being of the child and promote achievement of case goals. Each parent should be seen at least monthly in order for this item to be counted as a strength.

PIP Quarter 1 Results are preliminary. The Children's Bureau is completion secondary oversight reviews at this time.

Caseworker Contact with Parent CFSR 15

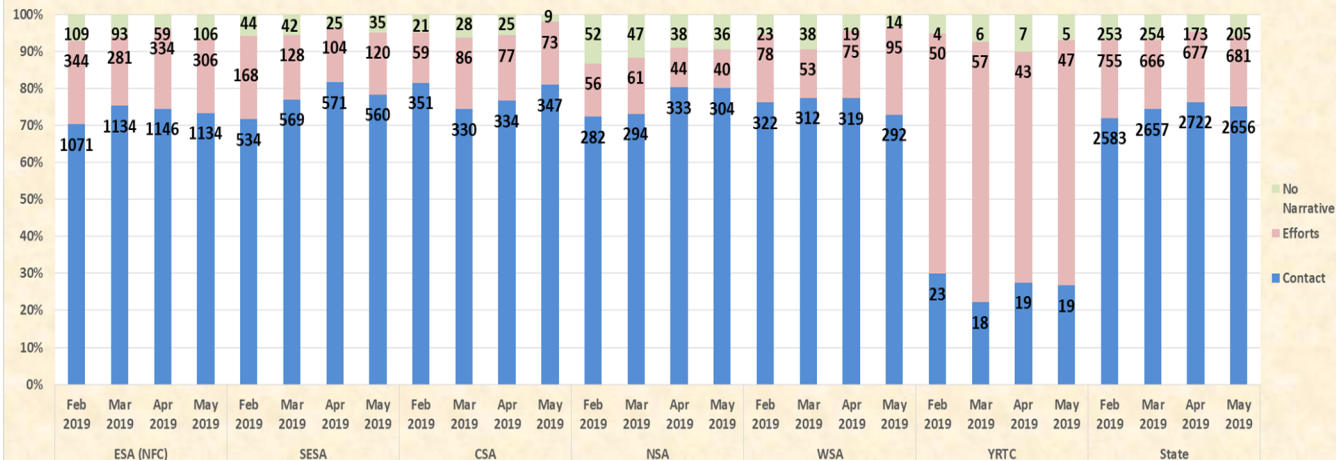

Strengths/Opportunities:

Barriers:

Action Items:

Contact with Mother Actual Contacts & Efforts

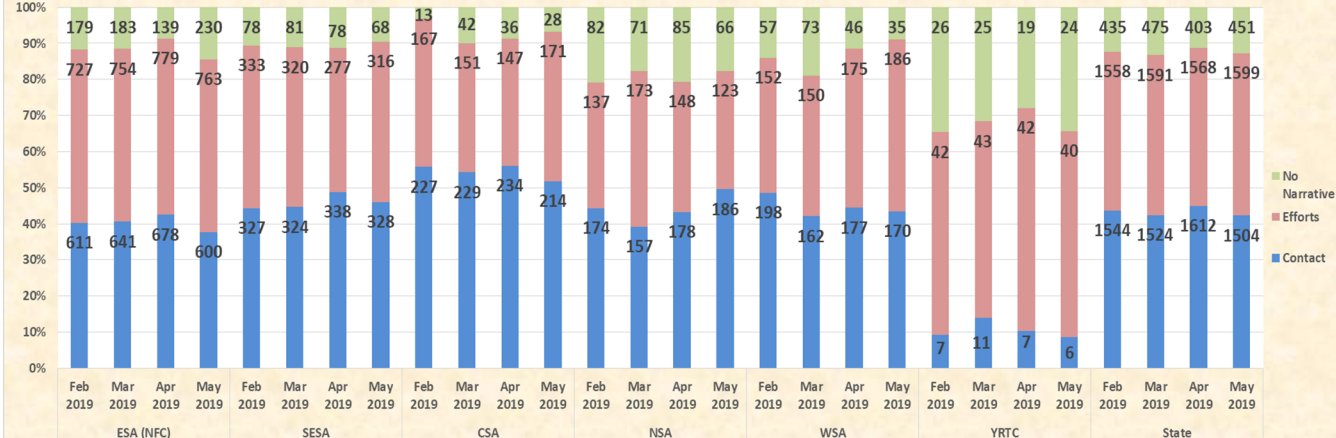

Note: State data does not include Tribal cases.

(Data Source: CWS & OJS Performance Accountability Data - NFOCUS/InfoView Report). Data includes OJS Wards.)

Contact with Father Actual Contacts & Efforts

Note: State data does not include Tribal cases.

(Data Source: CWS & OJS Performance Accountability Data - NFOCUS/InfoView Report). Data includes OJS Wards.)

*Note: Data includes parent contact in both court & non-court involved cases.

Worker Face to Face Contact with Mother and Father

Strengths/Opportunities:

- Note: The performance accountability report was modified to require a contact for all parents whose rights are still intact regardless of the child's permanency goal. Prior to this, the report did not require a parent contact for all youth whose permanency goals were adoption, guardianship or independent living.

Barriers:

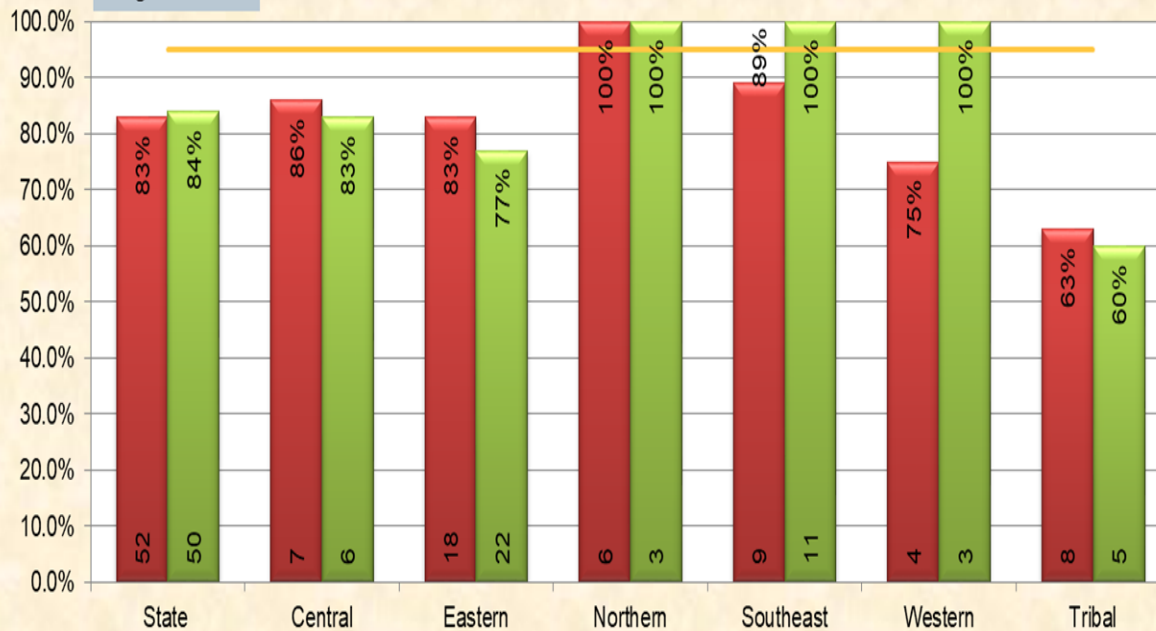

Action Items:

CFSR Item 16 Educational Needs for the Child

■ PIP Baseline November 2017- Nov/Dec 2018

■ PIP Quarter 1 February 2018 - Feb/Mar 2019

Target = 95%

Item 16 on the CFSR looks at the educational needs and services for the child. This item looks at whether or not the agency sufficiently assessed the educational needs of the child (when applicable) and if the agency made efforts to ensure the appropriate services were provided to the child to meet any identified educational needs.

PIP Quarter 1 Results are preliminary. The Children's Bureau is completion secondary oversight reviews at this time.

Needs and Services for the Child (Educational Needs – CFSR Item 16)

Strengths/Opportunities:

Barriers:

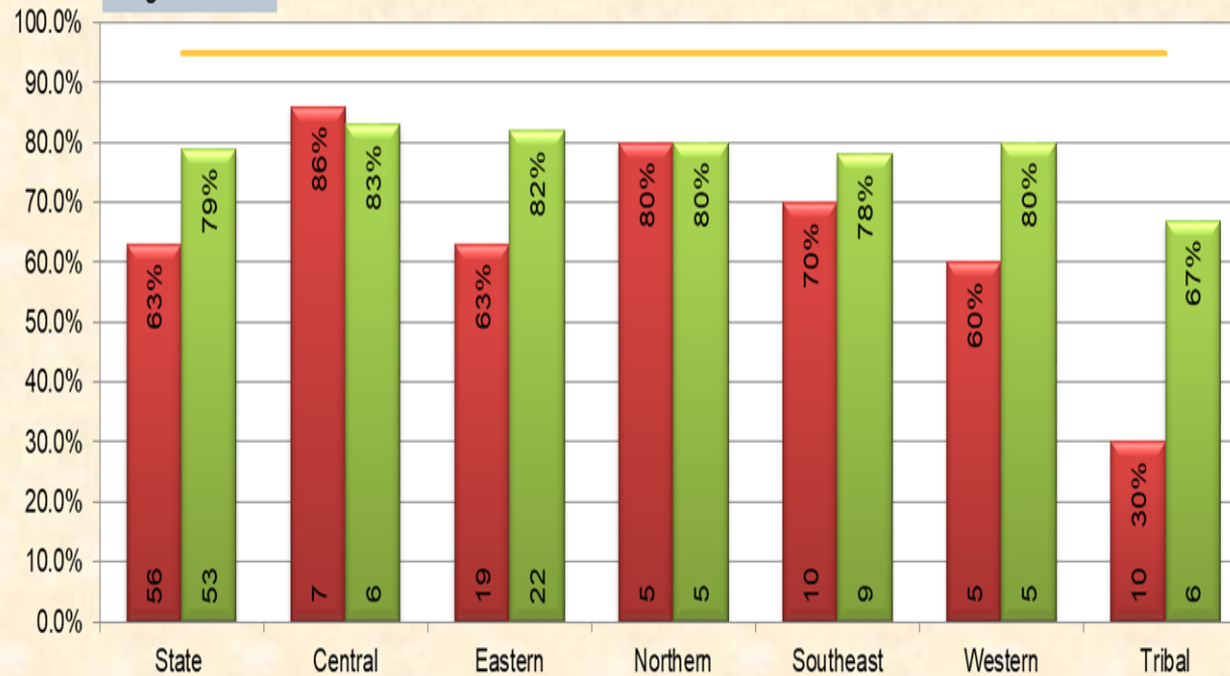

Action Items:

CFSR Item 17 Physical Health of the Child

■ PIP Baseline November 2017 - Nov/Dec 2018

■ PIP Quarter 1 February 2018 - Feb/Mar 2019

Target = 95%

Item 17 on the CFSR looks at the physical needs and services for the child. This item looks at whether or not the agency sufficiently assessed the physical health of the child (when applicable) and if the agency made efforts to ensure the appropriate services were provided to the child to meet any identified physical health needs.

PIP Quarter 1 Results are preliminary. The Children's Bureau is completion secondary oversight reviews at this time.

Needs and Services for the Child (Physical Health Needs – CFSR Item 17)

Strengths/Opportunities:

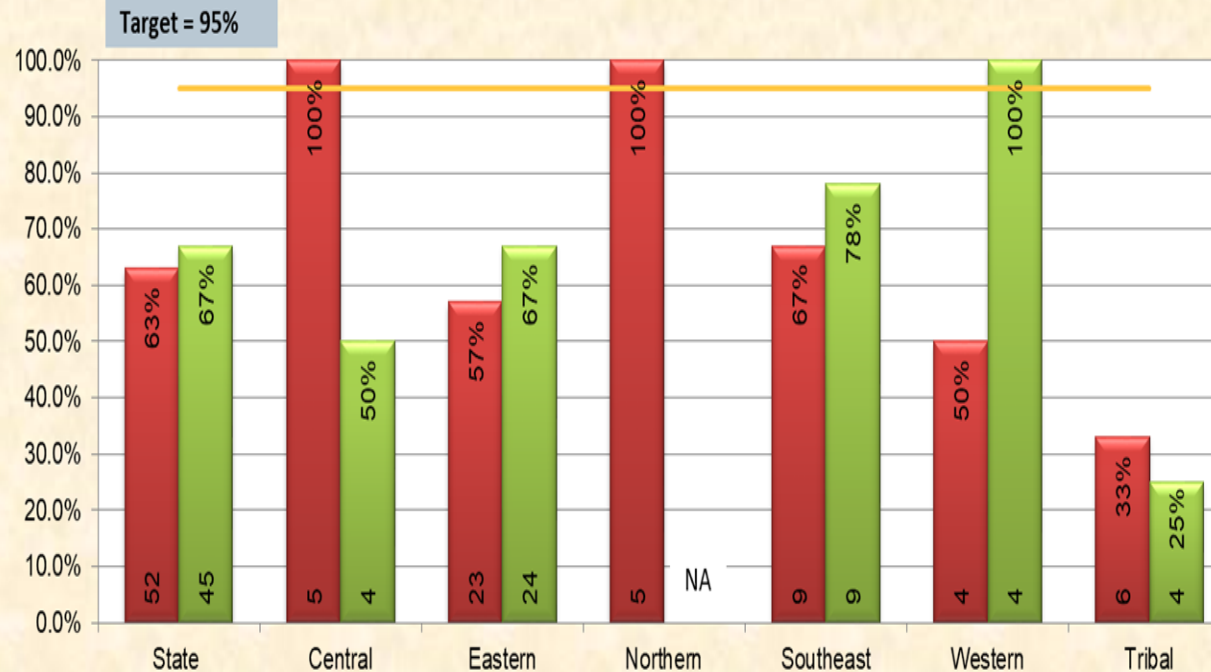

Barriers:

Action Items:

CFSR Item 18 Mental/Behavioral Health of the Child

■ PIP Baseline November 2017- Nov/Dec 2018

■ PIP Quarter 1 February 2018 - Feb/Mar 2019

Needs and Services for the Child (Mental/Behavioral Health Needs – CFSR Item 18)

Strengths/Opportunities:

Barriers:

Action Items:

Item 18 on the CFSR looks at the mental/behavioral health and services for the child. This item looks at whether or not the agency sufficiently assessed the mental/behavioral health of the child (when applicable) and if the agency made efforts to ensure the appropriate services were provided to the child to meet any identified mental/behavioral health needs.

PIP Quarter 1 Results are preliminary. The Children's Bureau is completion secondary oversight reviews at this time.
